The lipgloss I bought blends perfectly with my skin. It gives you a smooth feel and is not sticky. The Mocha color is perfect for my complexion. The lipgloss is also long lasting so you won't need to keep applying coats all night. One of my favorite beauty products!

RareBeauty Cosmetics is a very good product to use. All of the products are very good but my favorite is The brown sugar body scrub it gives your skin a very good clean feeling and a nice look after using. The RareBeauty lip products is also good and long lasting.

I like how pigmented the  
lipsticks and lipglosses are.  
They have a really good  
smell to them and the lashes  
are long lasting and  
affordable.
